Chris Grivet created this orchestral version of *Oatmeal Cookies: The Ride*, which was used as background music for the album's intro track. It is presented here without all that talking over it!

OATMEAL COOKIES: THE RIDE (PUNK VERSION)

The lovable Oatmeal Cookie people have started their own punk rock band! What in the world do oatmeal cookies have to be so angry about?

THE KEURIG DR. PEPPER HOME OF TOMORROW (GRIVETHEAD REMIX)

Grivethead (a robot from the distant future which has been implanted with Chris Grivet's personality) found itself amused by our quaint 20th-century visions of the world of tomorrow, and so it created this remix to mock us.

THE PRINCESS HATCHERY (ORIGINAL DEMO)

THE KEURIG DR. PEPPER HOME OF TOMORROW (ORIGINAL DEMO)

Feast your ears on the humble beginnings of Whimsyland! Chadd Derkins recorded these garageband demos in the 1910's, in a farmhouse surrounded by wheat fields.
